Local Government

UCA 36-12-13(2)(c)

Enactment of this legislation could increase revenues for certain local governments who are wastewater service providers or public water systems who receive state funds from requiring collections equal to 1.5% of the median adjusted gross income for each type of water service starting January 1, 2027.

Individuals & Businesses

UCA 36-12-13(2)(c)

Enactment of this legislation could increase revenues for certain businesses who are wastewater service providers or public water systems who receive state funds from requiring collections equal to 1.5% of the median adjusted gross income for each type of water service starting January 1, 2027. Enactment of this legislation could also increase the rates paid by certain individuals who are connected to public water or wastewater systems subject to these increased rate requirements. To the extent that title agents or property owners fail to notify secondary water suppliers of the transfer of property receiving secondary water services, they could be subject to paying an administrative fine of up to \$500. The total cost of these provisions cannot be estimated at this time.

Regulatory Impact

UCA 36-12-13(2)(d)

Enactment of this legislation could result in a small increase in the regulatory burden for Utah residents or businesses.

Performance Evaluation

JR1-4-601

This bill does not create a new program or significantly expand an existing program.

Notes on Notes

Fiscal explanations estimate the direct costs or revenues of enacting a bill. The Legislature uses them to balance the budget. They do not measure a bill's benefits or non-fiscal impacts like opportunity costs, wait times, or inconvenience. A fiscal explanation is not an appropriation. The Legislature decides appropriations separately.
