Other Special Clauses:

None

Be it resolved by the Legislature of the state of Utah, the Governor concurring therein:

WHEREAS, Utah is one of the fastest growing states, by population, in the United States;

WHEREAS, this rapid population growth has significantly increased the demand for housing across all income levels and regions of the state;

WHEREAS, the Kem C. Gardner Policy Institute and the Office of the Legislator Auditor General identified a persistent and growing gap between housing supply and housing demand, which contributes to rising home purchasing prices;

WHEREAS, high housing costs negatively impact workforce recruitment, economic competitiveness, and quality of life for Utah businesses and residents;

WHEREAS, housing assistance programs, economic incentive programs, and housing planning initiatives exist within multiple government agencies resulting in housing development delays and subsequently, increased housing costs;

WHEREAS, a comprehensive statewide housing strategy is needed to align land use, infrastructure investment, transportation planning, and economic development goals to meet

31 Utah's housing needs;

32 WHEREAS, during the 2025 General Session, H.C.R.14, House Concurrent Resolution
33 Supporting Streamlining Utah Housing Policies, recommended streamlining and consolidating
34 Utah's housing programs to increase alignment and coordination among governmental entities;

35 WHEREAS, H.B. 37, Utah Housing Amendments, from the 2025 General Session required
36 the Governor's Office of Planning and Budget to develop a state housing plan no later than
37 December 31, 2025; and

38 WHEREAS, the Governor's Office of Planning and Budget, in partnership with more than
39 100 stakeholders, including legislators, completed the development of the Utah Housing
40 Strategic Plan that outlines Utah's housing goals and includes guiding principles, outcome
41 metrics, and recommendations to meet Utah's housing needs:

42 NOW, THEREFORE, BE IT RESOLVED that the Legislature of the state of Utah, the
43 Governor concurring therein, finds a lack of alignment and coordination among government
44 agencies causes housing development delays and increased housing costs, which adversely
45 affect Utah's economic growth and quality of life.

46 BE IT FURTHER RESOLVED that the Legislature and the Governor support
47 implementing the Utah Housing Strategic Plan to align and coordinate statewide efforts to
48 increase housing supply and improve affordability.

49 BE IT FURTHER RESOLVED that the Legislature and the Governor commit to track the
50 Utah Housing Strategic Plan implementation and results to ensure the plan remains responsive
51 to Utah's changing housing needs.
